

# A Reason and a Promise

Name \_\_\_\_\_

God knows that young people need someone to guide them, to teach them, and to love and care for them. The fourth commandment requires you to honor and respect your parents and those who watch over you. This commandment is so important that God included a reason to obey, and gave a wonderful promise. To discover the reason and the promise, solve the circle quote by reading every other letter around the circle.

“ \_\_\_\_\_

(Ephesians 6:3)
