

Choose Life

Name _____

Life is our most precious gift from God. The fifth commandment tells us that we must respect and protect this gift in all its forms. From the time we are conceived until the moment that we die, God is watching over us and protecting our lives. Every life is important to God and only God can choose when a life on earth is ended. There was a great man, Cardinal Joseph Bernardin, who first used a phrase that stands for respecting life from conception to death. Decode the puzzle to discover this phrase.
