

Threats Against Life

Name _____

Unfortunately, some people believe that killing is acceptable under certain conditions. Christians must always object to the tendency to make killing acceptable or legal. Finish the following sentences using words from the Word List, then circle those killings that are legal in this country. (Remember, legal does not always make it right in God's eyes.)

Word List

mercy killing
suicide

manslaughter
murder

abortion
electric chair

gas chamber
euthanasia

execution
lethal injection
