

# A Walk in the Forest

Name \_\_\_\_\_

Cut out the cards below and shuffle them. Place them upside down next to the animal print game board. Play the game with a friend. Use a coin, stone, or button for a marker. Draw a card and follow the directions on the card. When you use up all the cards, shuffle them and continue the game.

|                                                          |                                                 |                |
|----------------------------------------------------------|-------------------------------------------------|----------------|
| Land left bare causes mud slide. Go back one space.      |                                                 |                |
| Rainforest cleared of all living things. Lose 2 turns.   | Planted trees. Move ahead 1 space.              | Move 1 space.  |
| Burning trash sets forest fire. Lose one turn.           | Planted flowers and gardens. Take another turn. | Move 1 space.  |
