

# Family Loyalty (Page 1)

Name \_\_\_\_\_

Marriage is God's plan for creating a strong and healthy family in which children can grow up. Love and loyalty within the family strengthen the family unit. God gave us the sixth commandment to protect the relationship between husband and wife, which in turn helps protect every relationship within the family.

Using the tree pattern on page 2, create your own family tree. Fill in the names of your family members on this page, cut around them, and paste them on the tree. Use the extra spots if you need them. You may need the help of your family to complete this project.
