

St. Valentine

Name _____

(died: 269)

Feast: February 14

Love Notes

St. Valentine was a bishop who believed in love. He was put into prison during the Roman persecution of the Christians. From prison, he sent notes of encouragement to his people. He told them to be loyal to Jesus and to love God and others. These were the first Valentines.

Cut out the large heart pattern and trace around it onto red construction paper. Cut out the large red heart and paste it onto a white paper doily. Then cut out the smaller white heart, color the message with bright markers and paste it into the center of your red heart.
