Translator of God's Word

God speaks to us through the Scriptures — the stories and lessons about God and Jesus that we find in the Bible. The Bible tells us how to know God better and understand what God expects of us.

St. Jerome lived a long, long time ago. He wanted all the people in the world to know God's love. The Bible was written in a language most people didn't know, so Jerome

spent most of his life translating the Bible into the language that people would be able to read.

Because of all his hard work for God, St. Jerome earned a special title in the Church. Solve the code below to learn St. Jerome's special title.
