The Beautiful Lady

Did you ever think that God and the saints can't see you, or that you are not famous enough to become a saint yourself? The story of Juan Diego, a simple Mexican peasant who became part of a miracle, is a sign of how closely God watches over each of us, no matter how rich or important we are. On his way to town, Juan saw a beautiful lady on a hill. The lady sent Juan with a message to the bishop. The bishop did not believe Juan. He asked Juan for proof. The lady gave him proof—for on that spot, roses were

growing in the middle of winter! The people never forgot this wonderful miracle. By coming to Juan and his people, the lady was telling them that God loves them and cares about them. Today a great church stands where roses once bloomed in the snow.

Here is a "flowery" puzzle for you to do. Match the flowers to the correct letters below, and you will find the name of the beautiful lady.
