

THE LABYRINTH FOR CATHOLICS: ITS HISTORY AND USE

**CHURCH OF ST. PETER
HERITAGE CENTER
TUESDAY, MARCH 25
6:30-8:30PM**

Although it is an ancient meditation tool, the use of labyrinths for Catholic contemplation can be traced to cathedrals of the Middle Ages. In the European cathedrals they were used traditionally as a site of pilgrimage. Labyrinths can be found today in churches, parks, retreat centers, hospitals, schools, homes and prisons. Join us and explore this ancient prayer tradition.

Marilyn Larson* will share its history as a Christian meditation tool and guide us in a walk through an indoor labyrinth in the Chartres style.

Registration is required.

\$25/person, space limited to 40 participants.

To register, please contact Lisa Amos at
