

March 2015 is Minnesota FoodShare Month.
Help Us Put Hunger into Hibernation!
St. Peter's Catholic Church, 1405 Sibley Memorial Highway, Mendota, MN 55120

For more than 30 years, Minnesota FoodShare has partnered with local food shelves to bring food to people needing help in communities throughout the state. The Minnesota FoodShare March Campaign brings together hundreds of companies, civic groups, schools and congregations to help keep the 300 food shelves statewide stocked throughout the year.

Corporate funds donated to Minnesota FoodShare are awarded to food shelves according to a formula that includes number of families served, weight of food collected, amount of money donated, and other variables. This is why the food drives during the month of March are so important for all of Minnesota's food shelves. The more a food shelf collects the more money they receive from the fund. All donations from St. Peter's will be given to Neighbors, Inc.

**Food collection bins are by the Gathering Space and the upstairs offices.
All donations are due by Sunday, March 29.**
